

# CWSA On-Line Registration Information

County West Soccer Association (CWSA) has moved to an on-line registration system through Illinois Youth Soccer Association and gotsoccer.com. Registrant's information has always been inputted into a computer software system in the past that has been shared with Illinois Youth Soccer Association, but this system allows families more access and control. This will also provide CWSA with a means of better back up of player information, less paper copies, and more communication options with our families!

Online registration will be open from March 1<sup>st</sup> – April 20<sup>th</sup>. After April 20<sup>th</sup> an additional \$10 late fee will be added. On April 28<sup>th</sup> an additional \$20 late fee will be added. Please go to [www.countywestsoccer.net](http://www.countywestsoccer.net) and **click on the registration link**.

Once you have clicked on the registration link, you will be taken to a log on screen:

The screenshot shows the registration page for County West Soccer Association. At the top left is the CWSA logo with a soccer ball. Below it are links for "Registration Form" and "Contact". The main heading is "County West Fall 2017 Registration". There are two main sections: "New Users" and "Registered Users".

**New Users**

- Family Registration - New Account**: Includes a button labeled ">> Create Family Account". A blue arrow points from a callout box to this button.
- Individual Users - New Account**: Includes a sub-heading and instructions: "If you are new to the GotSport system, enter your desired username and password below and an account will be created for you." Below this are form fields for: Gender (radio buttons for Male and Female), Date of Birth (text box with "(mm/dd/yyyy)" below it), Player First Name, Player Last Name, Create a Username, and Create a Password.

**Registered Users**

- Existing Family Member Profile**: Includes the instruction "Enter your Account Username & Password below:" and form fields for Username and Password. A "Login" button is located to the right of the Password field.
- Below the Login button is a link: "Forgotten your username or password? [Player Password Lookup](#)". A blue arrow points from a callout box to this link.

**Callout Boxes:**

- Top right: "Click on this button to start your family account" (points to the "Create Family Account" button).
- Bottom right: "Click here to log in to existing account. You can also click on 'Player Password Lookup' to get your information e-mailed to you." (points to the "Player Password Lookup" link).

Please create a “new family account” as indicated by arrow on previous page or log in to your existing account to register for this season. This system will allow you to take advantage of multi child discounts and take you through registering each child. You can even pay online by using a credit card. The e-mail information and cell phone numbers you provide will allow CWSA to send you information about the league throughout the year.

This system also allows us to gather volunteer information from coaches and assistant coaches! So if you are interested, please mark the volunteer box. Our league runs on volunteers! Head coaches receive a refund discount of \$15 at the end of the year. Players 12 and older may also sign up to referee in this system.

The log in information you provide is individualized to each family. The system is secure and maintained by professionals from gotsoccer.com – one of the largest online soccer registration companies and endorsed by Illinois Youth Soccer Association. By using this system, CWSA is able to keep your information year to year, update you on games, rain outs, important dates, etc. We also allow coaches limited access to their individual teams contact information so they can utilize this communication system as well.
