

Discipline Policy for County West Players

1. If practice is stopped, and a child is pulled aside for consistently disruptive and inappropriate behavior, that child will receive a verbal warning.
2. If practice is stopped and a child is again pulled aside for consistently disruptive and inappropriate behavior, that child will receive a written warning. The coach, the assistant coach, and a guardian of the child will sign the written warning.
3. If practice is stopped and a child is pulled aside for a 3rd time, that child will be removed from practice and suspended from the next game. The coach, the assistant coach, and a parent of the child will sign the suspension notice. The notice will list the date of the game from which the child is suspended.
4. If practice is stopped and the child is pulled aside for a 4th time the child will be suspended from the next 3 games. This written suspension will list the 3 games that the child is suspended from and again will be signed by the coach, the assistant coach and a parent of the child.
5. Any more offenses and the decision to remove the player will come before the board (or a group selected by the board). If the board decides to remove the player, it will be done. The decision if the player should return for any following sessions will have to go before the board for approval.
