Championship games will be played on October 1 at 1pm

Slaughter rule is no longer in effect for the tournament.  
All other rules remain in effect.

8u games will be played as 2-15 minute halves with a 5 minute halftime.  
10u games will be played as 2-20 minute halves with a 5 minute halftime.  
12u games will be played as 2-25 minute halves with a 5 minute halftime.  
15u games will be played as 2-30 minute halves with a 5 minute halftime.

Because we are limited on refs this is a single elimination tournament with the small exception of 12u. 3rd place will be determined by goals for, then goals against in the tournament. If there is still a tie then it will go to the regular season record. If still tied it will go to goals for and goals against. 12u will have a game between Game 1 loser and Game 2 loser for the 3rd place since there are only 4 teams.
